

**Society for Research
on Adolescence**

Welcome, Emerging Scholars!

*An "Emerging Scholar" is any student or early-career professional.
SRA provides special programming for emerging scholars at the Biennial Meeting.*

Thursday, April 12

An In-Depth Look at Early Career Funding Success

As an emerging scholar, you're likely eligible for funding opportunities related to your training, travel, and research. Learn more from a panel of program officers & successful applicants of pre- and post-doctoral funding mechanisms.

*Second Floor, Symphony Ballroom
10:15-11:45am*

Poster Funding Opportunities with U.S. Government Agencies and Foundations

Check out the Emerging Scholars posters on funding opportunities. Representatives will be at their posters to meet with you and answer your questions.

*Marquette Ballroom
1:15-2:15pm*

Network and Nosh

Want to meet other emerging scholars doing research in your area? Looking for expertise for a specific project, but don't know anyone who does that type of research? Come network with fellow emerging scholars! We'll provide semi-structured networking and snacks, and will be raffling off two SRA memberships.

*Conrad D (Emerging Scholars Lounge)
2-3pm*

Friday, April 13

Stats Hour: Analyzing Intensive Longitudinal Data with Group Iterative Multiple Model Estimation (GIMME)

Hoping to add another technique to your statistical toolkit? Dr. Beltz will present a conceptual & practical introduction to Group Iterative Multiple Model Estimation (GIMME), a person-specific temporal network analysis

*Conrad D (Emerging Scholars Lounge)
10:15-11:15am*

Habits of Highly Effective Junior Faculty/Advancing Career Faculty Panel

Just starting your first faculty position and not sure how to balance the expectations of your new role? Is tenure looming and you're not sure how to maximize your time? Five successful junior faculty from a variety of disciplines and universities will share tips for a productive early career

*Conrad D (Emerging Scholars Lounge)
2-3pm*

Exploring Diverse Career Paths: Thinking Outside the (Academic) Box

Interested in exploring the options for a non-academic career path? Gain insights at an interactive roundtable discussion, featuring panelists who utilize their training in diverse ways in unique settings-- including non-profits, research institutes, or self-employment.

*Second Floor, Symphony Ballroom 2
3:45-5:15pm*

Saturday, April 14

The Ins and Outs of Publishing: A Conversation with the Editors

We all know one of the most important indicators of success is publishing, but how can we most efficiently publish rigorous research? Learn tips directly from journal editors regarding how to get your work published.

*Second Floor, Symphony Ballroom 2
10:15-11:45am*
